**Fannin Ltd., Galway (LIP) Update Announcement**

Dear Customer,

Fannin Ltd., Galway wish to notify customers that we have changed the raw material supplier and testing panel for product W11325, Staph/Strep Agar.

This change does not have any effect on the quality or performance of the product.

Proteus Mirabilis ATCC® 29906 has been removed and is replaced with Escherichia Coli ATCC®25922 to the QC testing panel as per manufacturer guidelines. All other testing carried out will be as per our INAB scope of accreditation.

This notice needs to be passed on to all those who need to be aware within your organisation.

Should you have any queries regarding this change please do not hesitate to contact us.
