**Customer Notification**

Update to pH specification for W13015

**Date of Notification:**

07/05/2026

**Fannin LIP Galway Announcement**

Dear Customer,

This notification is to notify customers of the update to pH testing specification for W13015 Lactose Peptone Water + Durham Tube. See below updated pH specification:

W13015 Lactose Peptone Water + Durham Tube	
Previous pH specification	Updated pH specification
7.3 +/- 0.2	7.4 +/- 0.2

This update is to align the product with other finished products on-site of the same composition. This update will not affect product performance. This update will be reflected in the certificate of analysis of batches of these products released from 07/05/2026.

This notice needs to be passed on to all those who need to be made aware within your organisation.

Should you have any queries regarding this change, please do not hesitate to contact our quality team, [lipquality@fannin.eu](mailto:lipquality@fannin.eu).
